

Neighbor Reference

TO: _____

Re: _____

The individuals named above have applied to be foster or adoptive parents. The responsibility of foster parents is to care for children whose own family is unable to care for them. The adoptive parent takes the children into their family permanently. To become a licensed foster parent several things are required prior to getting a license. One of which is a neighbor reference.

Although some neighbors do not have personal relationships with one another, you are being asked to complete this paperwork to the best of your ability/knowledge. If you have questions or concerns, please call (850) 414-5620 and ask to speak with a supervisor. Thank you for your cooperation.

Sincerely

Adoption/Licensing Counselor
